

35W GaN USB Charger with USB-C Cable 2M | 100W
Ultra-Compact Fast Charging

35W GaN USB Charger with USB-C Cable 2M

This 35W USB Charger with USB-C 2M Cable uses gallium nitride (GaN) technology and supports fast charging for a variety of devices. It is compact and portable, featuring a 90° folding plug for easy storage.

Efficient & Smart PD/QC 35W Fast Charging GaN Technology

Supports PD3.0 and QC 3.0 fast charging standards with a maximum output of 35W. This charger can be used with mobile phones, tablets, and other devices. It features smart charging and uses advanced PPS (Programmable Power Supply) technology to automatically adjust power according to the charging device to meet diverse charging requirements.

GaN is a highly temperature resistant and chemically stable semiconductor that delivers high power output and high thermal conductivity. It makes charging devices faster and more efficient compared to traditional chargers.

*This product does not include a USB charging cable.

*Before charging, please confirm whether the charging cable and/or charging device support 35W fast charging.

Compact, Lightweight, and Portable

Small in size, light in weight, and equipped with a 90° folding plug, this charger is easy to carry and store. Input voltage of 110V-240V supports most national standards, making it a must-have item for business trips and travel.

Features

- 35W fast charge for various devices
- Powered by GaN technology
- Compact, lightweight, and portable
- Foldable on-the-go charging
- 100-240V

Specifications

- Input: 100-240V ~ 50/60Hz 0.8A
- Output: 5V-3A, 9V-3A, 12V-2.5A, 15V-2.33A, 20V-1.75A (35W Max.) (PPS USB-C 3.3V-11V-3A)

USB-A: 5V-3A, 9V-2A, 12V-1.5A, 10V-2.25A (22.5W Max.)

USB-C+USB-A: 5V-3A (15W Max.) Total: 35W Max.

- Max. Output : 35W
- Color: Black
- Dimensions(L x W x H):

35 x 30 x 48.4 mm / 1.37 x 1.18 x 1.90 inch

- Weight: 87.5g / 3.08 oz
- Warranty: 1 year

Multi-Circuit Protection

Multi-circuit protection ensures user safety in case of over-current, over-voltage, over-temperature and short-circuiting.

USB-C Cable

- Interface: USB-C to USB-C
- Colors: Black
- Length: 2M
- Weight: 108g
- Texture: PLASTIC/ Nylon (Knit)
- Transfer Speed: 480Mbps
- Power Charging: 35W
