

SC735 External SSD

Rugged Soul, Unleashed Speed

SC735 External Solid State Drive

The SC735 features a USB 3.2 Gen2 interface with performance up to 1,050MB/s read and 1,000MB/s write. Weighing only 13.6g, this featherweight portable drive is among the lightest in the industry. It includes a built-in USB-C connector and is certified for 1.22-meter MIL-STD drop and shock resistance. It offers broad compatibility with Android, Mac OS, Windows, PlayStation 5, and XBOX Series. The drive also fully supports iPhone 15 and subsequent models, allowing for direct file transfers and backup for multiple devices.

Military-Grade for All Your Challenges

SC735 also meets the MIL-STD-810G 516.6 impact resistance standard* to easily survive accidental drops and jarring. This protection shields your files, giving you peace of mind when transferring files while frequenting the outdoors.

1,050/1,000MB/s High-speed Read/Write

The SC735 utilizes the USB 3.2 Gen2 interface to deliver high-speed performance with read/write speeds up to 1,050/1,000MB/s. This enables direct access and editing of large files on the drive itself. It also fully supports the iPhone 15 series and later, facilitating both standard file transfers and backup.

Portability Featherweight Design

The SC735 pushes lightweight design to its absolute limit, weighing a mere 13.6 grams—so light you will barely notice its presence. Its exceptionally compact body allows for effortless storage in a pocket or wallet. This achieves true portability that follows you anywhere, perfectly meeting the demands of mobile work and daily life.

Compact Size, Cableless Transfer

Featuring a retractable USB Type-C connector, the SC735 eliminates the need for external cables. Its compact and lightweight design, comparable in size to a standard flash drive, makes it exceptionally portable for work and travel. Simply extend the connector to begin transferring large files.

Specifications

- Capacity: 1000GB / 2000GB
- Color: Blue, Grey
- Dimensions (L x W x H): 55 x 28.5 x 12.1mm / 2.16 x 1.12 x 0.48inch
- Weight: 13.6g / 0.48oz
- Interface: USB 3.2 Gen 2 (10Gbps) (backward compatible with USB 2.0)
- System requirements:
Windows 10 / 11
MacOS 13 or later (Formatting required for use)
